

## Alumaguard® Warranty

**Date:** April 9, 2026

**SUBJECT:** PRODUCT WARRANTY

**PRODUCT:** **ALUMAGUARD®, ALUMAGUARD® ALL-WEATHER, and ALUMAGUARD® LITE**

**POLYGUARD PRODUCTS, INC.** hereby warrants that for a period of ten (10) years from the date of installation completion of **Polyguard's Alumaguard** products at the project installation:

**Polyguard Alumaguard** membrane will perform its intended function as a weather protection vapor barrier membrane and will not deteriorate as a result of ordinary wear and tear. Polyguard will also warrant the material to be free of manufacturing defects for a period of 10 years.

If at any time during such ten (10) year period the **Polyguard Alumaguard** does not perform as warranted above, then **POLYGUARD PRODUCTS, INC.** will supply replacement **Polyguard Alumaguard** in exchange for and to the extent that **Polyguard Alumaguard** is found by **POLYGUARD PRODUCTS, INC.** not to comply with this warranty.

This warranty does not apply to any **Alumaguard** membrane unless installed and maintained to conformance with the printed instructions of **POLYGUARD PRODUCTS, INC.** from time to time in effect. Further, this warranty does not cover damage caused by abuse or abnormal use of the **Polyguard Alumaguard** membrane, acts of God, or to inadequate or faulty design of the subject project and to repairs or installations made by other persons not approved by **POLYGUARD PRODUCTS, INC.**

Painting of **Alumaguard** or **Alumaguard All-Weather** will void this warranty. **Alumaguard Lite** can be painted as per recommendations in the **Polyguard** Technical Bulletin entitled "**Painting Alumaguard Products**".

The foregoing warranty is exclusive and is in lieu of any and all guarantees or warranties, express or implied, including without limitation the implied warranty of merchantability and fitness for a particular purpose. The remedies of the buyer for any breach of this warranty shall be limited to those herein provided to the exclusion of any and all other remedies, including without limitation incidental or consequential damages.

**POLYGUARD PRODUCTS, INC.** shall not be liable in any case for any damage to the building or the contents thereof. No agreement varying or extending the foregoing warranty remedies will be binding upon **POLYGUARD PRODUCTS, INC.** unless in writing, signed by a duly authorized officer of **POLYGUARD PRODUCTS, INC.**

A separate project information form **must** be completed to authenticate this warranty. Please submit 3 photos of the completed installation with this application.
