

Quick Grip 30lb. Canister

Product Overview

Polyguard's Quick Grip is an industrial-grade aerosolized adhesive in a portable spray system. Quick Grip is formulated to adhere protection courses, drainage composites, rigid insulation, sheet air & vapor barrier membranes, sheet waterproofing membranes, and sheet thru-wall flashings to a variety of substrates. It contains no chlorinated solvents and offers an excellent alternative to methylene chloride-based products. Quick Grip provides a fast and economical solution to most building envelope component adhesive requirements. Expect coverage of 1200-1400 SF per canister.

Expect coverage of 1200-1400 SF per canister

Quick dry time, 1-3 minutes at 60°F

Approximate bonding time is 2 days

Can be used as a primer or an adhesive

Excellent adhesion to many substrates

Aggressive grab tack

Dries clear

No clean-up or maintenance
