

Quick Grip Adhesive Spray Kit

Product Overview

Poly Wall's Quick Grip Kit comes with all components needed to apply product. Quick Grip is an industrial-grade aerosolized adhesive in a portable spray system. It is formulated to adhere protection courses, drainage composites, rigid insulation, sheet air & vapor barrier membranes, sheet waterproofing membranes, and sheet thru-wall flashings to a variety of substrates. It contains no chlorinated solvents and offers an excellent alternative to methylene chloride-based products. Quick Grip provides a fast and economical solution to most building envelope component adhesive requirements.
